## *Confronting Issues and Challenges in the Evaluation of Foreign Credentials*

---

TAICEP 3RD ANNUAL CONFERENCE, ROME, ITALY  
SEPTEMBER 5, 2017

# Program

---

- Introduction
- Issues in accreditation / recognition, including transnational education
- Obtaining reliable information
- Obtaining official / reliable documentation, including fraudulent documents
- Wrap-up and questions

## Issues in accreditation / recognition, including transnational education

---

- What are some of the difficulties you have encountered regarding accreditation and recognition?
- Did you come up with a solution?

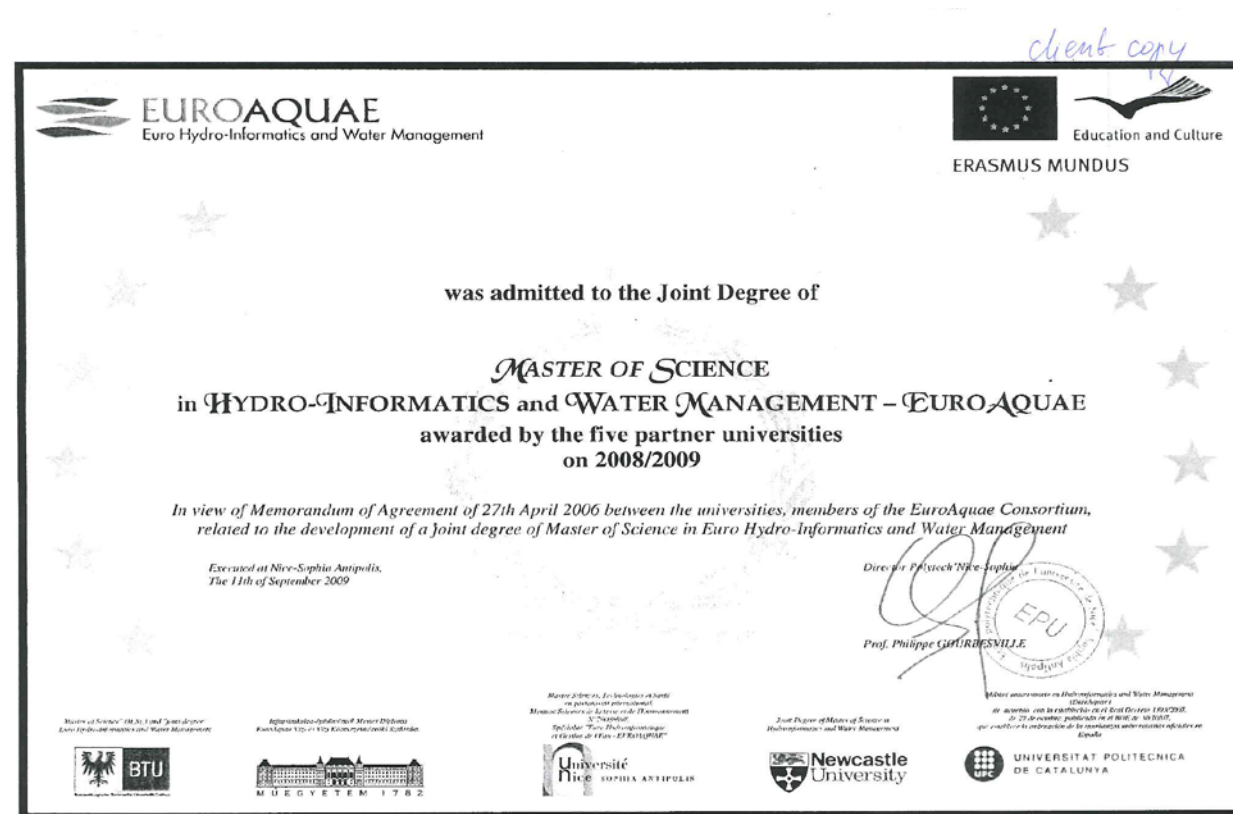

## Cases for group discussion

---

Please discuss the example for your group and answer these questions:

- Do you consider these credentials to be accredited/recognized?
- If yes, by whom?
- Would you evaluate the credential(s) in question?
- Why or why not?

# Tools for detecting fraudulent documents

---

- On-line verification tools
- Sample document library
- Familiarity with most common characteristics of altered documents
- Historical knowledge of geography (e.g. changes in country names over time)
- Historical knowledge of credentials and institutions (name changes, look and feel of documents)
- Other tips and tricks...

Tip: know what to expect! What do you notice about these 2 documents?
