The Implementation Regulations of the School Education Law stipulate that records of every student's grades be kept in a cumulative guidance record for five years after graduation, after which they are to be disposed of immediately. For this reason, we cannot issue academic transcripts for any student who graduated more than five years ago. (生徒の成績は、「指導要録」に記入される。指導要録のうち「指導に関する記録」の保存期間は、生徒の卒業後5年間である。これは学校教育法施行規則で規定されている。保存期間を過ぎた指導要録は、速やかに処分される。よって卒業後5年以上を経過した者の成績証明書を発行することはできない。)

Question:

Would you accept a
“GED” from another
country?

Considerations for Advanced Credit

- Does this credential give unrestricted access to higher education?
- Is it validated by an external examination at the national or state level?
- Does it involve in-depth study in a specific number of subjects (e.g., similar to AP and A Levels)
- Does it require a high level of rigor? (e.g., is the passing rate high or low among students?)
- Does the syllabus represent university-level study?
