ABOUT WORLDWIDE TRANSCRIPTS

- We conceptualized this business in 2019-20, & started working with brand name Worldwide Transcripts (WWT).

- We are an ISO 9001:2015 (Quality Management Systems) & ISO 27001:2013 (Information & Security Management Systems) certified organization

- WWT this brand is still under the legal & company umbrella of **Gravity Integrates Pvt Ltd** which is a company registered in companies Act of India.
  Working **since 2009.**

- We seek to soon take it to other countries too where immigration is fast & high in number. This services would also be helpful anywhere in world where the digital process is not up to mark in system or where the physical presence ,original docs etc. would be required.

We…..

❑ We help **procure & E-ship** different documents pertaining to foreign movements.

❑ E-shipping is done through the help of Electronic data exchange, wielding **Block chain technology**

❑ This can be accessed and send to any foreign body for purpose of study, PR ,Employment ,entrepreneurship or others .

❑ Currently we are bridging Indian Universities /Institutions to send untampered documents to Immigration bodies, ECA bodies, Universities, embassies etc. globally.

❑ we are working for our own **document depository "Digidocket"** which will have **digital documents** in **unique single formats** supported by **AI.**

Worldwide Transcripts Modes for Sending E-Transcripts

Detailed different Modes Integration :

VIA EDI	VIA API	VIA Flat File/XML File Exchange
If the University has an EDI system in place and can send EDI messages, we will setup connection with them via EDI. Details needed for the EDI implementation: a) EDI mapping specifications b) Method of communication (VAN, AS2, FTP, sFTP, etc) c) ISA and Qualifier ID (for both test and production envi) d) EDI contact info of the resource person whom we will conduct EDI testing with For your reference, below is the list of EDI transaction sets that we can support and put in place for you for the EDI exchange: EDI 130 - Student Educational Record (Transcript) EDI 131 - Student Educational Record (Transcript) Acknowledgment.	If the University supports web services integration and has API's available, will setup connection with them via API. Below are the details that we would need from them for the API implementation: a) API reference/documentation b) API endpoint and authentication credentials c) Access to sandbox environment d) IT contact info of the resource person whom we will conduct EDI testing with.	If the University can only support electronic data exchange via flat file/XML exchange, will setup connection with them via flat file/XML file exchange. Below are the details that we would need from them for the flat file/XML file exchange: a) If Flat File exchange is preferred - flat file layout specifications for each transaction set and sample flat file containing data b) If XML file exchange is preferred - XML schema for each transaction and sample XML file containing data c) Method of communication (FTP, sFTP, AS2, etc) d) IT contact info of the resource person whom we will conduct flat file/XML file exchange testing with.

I needed transcripts from Mumbai University. And I am very satisfied and happy with Worldwide transcripts, even during this pandemic situation they tried to complete the process as early as they could. I would like to appreciate Sankalp and his team, Thank you. Especially, I would like to thank Mr. Shobhit Mishra for walking me through the process from start to end, from very first call I made for inquiry till the delivery of my documents to WES Canada. I was quite unaware of the whole transcript procedures. He made sure I understood what exactly needs to be done, what exactly the firm would do to get the transcripts and helped me further. I would surely recommend worldwide transcripts for hassle free and early services. Thank you guys! Keep up the good work :)

I highly recommend worldwide transcripts to everyone who is looking forward to make the process of getting any kind of transcript or Degree Attestation easy, as I had a wonderful experience working with them.They made the complicated process so trouble free for me.I give them the credit for getting my degree and transcripts from SHIATS(Sam higginbottom institute of Agriculture, technology and Sciences) in very less time duration and also with minimal efforts from my end.Always they have done regular follow-ups with me through emails and phone calls to update the status.Mostly they keep things very transparent.My experience was amazing and I will suggest everyone to consider them for the same.Special thanks to Client support team members to handling my file in a very professional and knowledgeable way.

Thanks again to Worldwide transcripts 👍👍👍 👍👍

Cheers

I needed transcripts from SHUATS urgently. I had tried reaching out to atleast 3-4 agency who Provide support to procure transcripts. All of them were unable to procure the transcripts. After searching for 2 months I came across world wide transcripts. The interaction was really smooth and convincing from the beginning. Once I placed the order for transcripts, they reached out to me for some additional documents which were required to be provided. I received the transcripts within 15 working days. I was provided with the tracking I'd when the transcripts were shipped. I am really blown away by the professionalism of this agency. Anytime I have need in future, I will blindly trust and reach out to world wide transcripts. A big thank you to anjali and the whole team.
