GRADINTELLIGENCE DIGITAL CREDENTIALS SERVICES

John Bolland

Managing Director Gradintelligence

Alex Johnson

HE Sector Lead - Gradintelligence

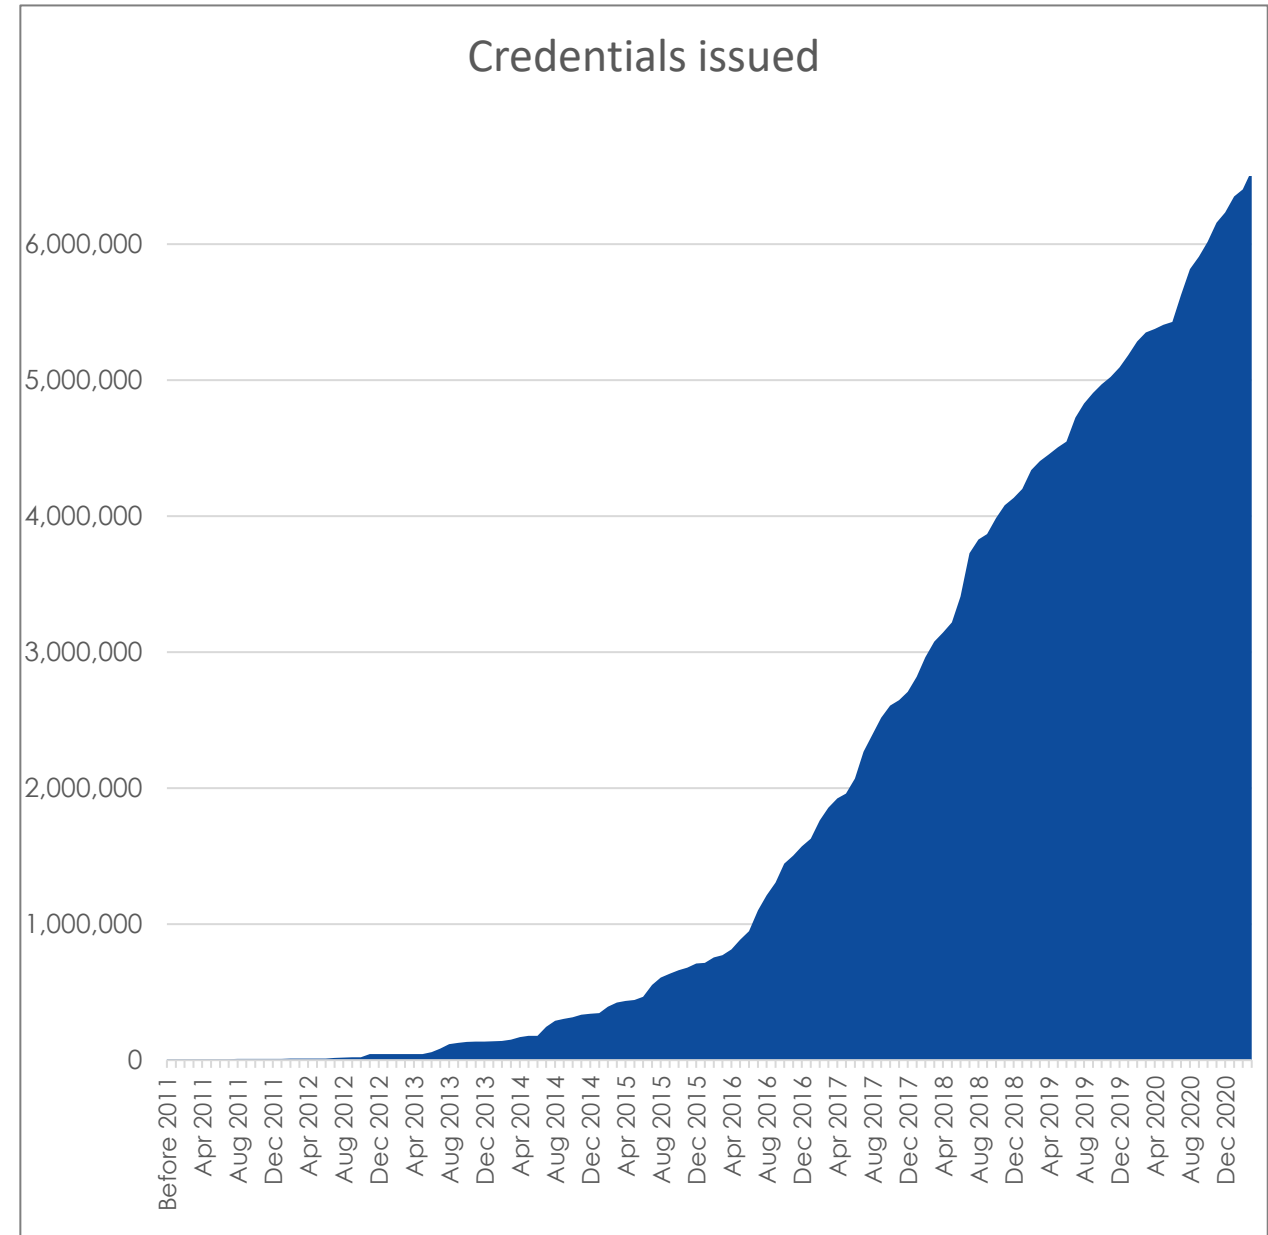

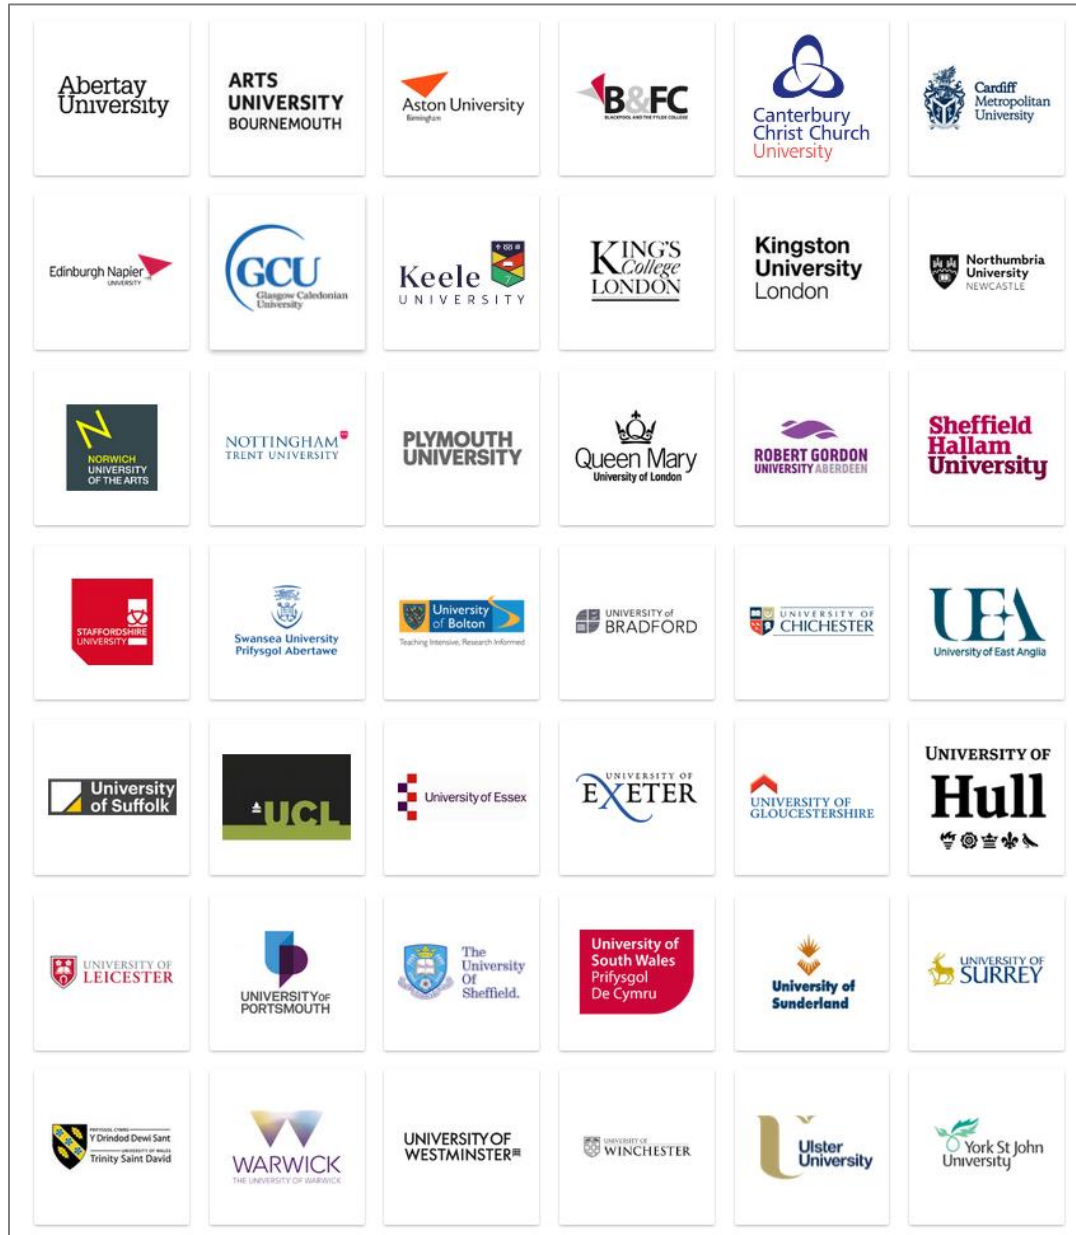

Agenda

- GI background and context
 - Service scope
 - Institution partners
 - Receiver network
- GI digital credential services
 - Credential standards (UK+Global)
 - Learner experience
 - Receiver experience
 - Trusted receivers
- Q+A

Background and context

- Our mission is to *‘transform the transition from education to employment and further study’*
- Gradintelligence is the UK’s leading digital credentials platform supporting over 1.4 m learners
- Working in partnership with 50 UK universities who use our credential services

Credential issuers

Learners

- Credentials wallet and curation
- Development journeys
- Discoverable talent profiles
- Preferences and goals
- Psychometrics hub
- Matched opportunities
- Application support
- Data rights services

Transitions

- Matching services
- SME and recruiter self-serve
- PG recruitment
- Talent pool analysis
- ATS
- Job board and applicant APIs
- Workflow

Credentials

- Credential issuing services
- Credential management tools
- eSeal
- Credentials exchange

Attainments

- Skills and competency frameworks
- Personal development pathways
- Awards and badges
- Activities
- Reflections and evidence
- Coaching and mentoring
- Student engagement
- Surveys and self-assessment

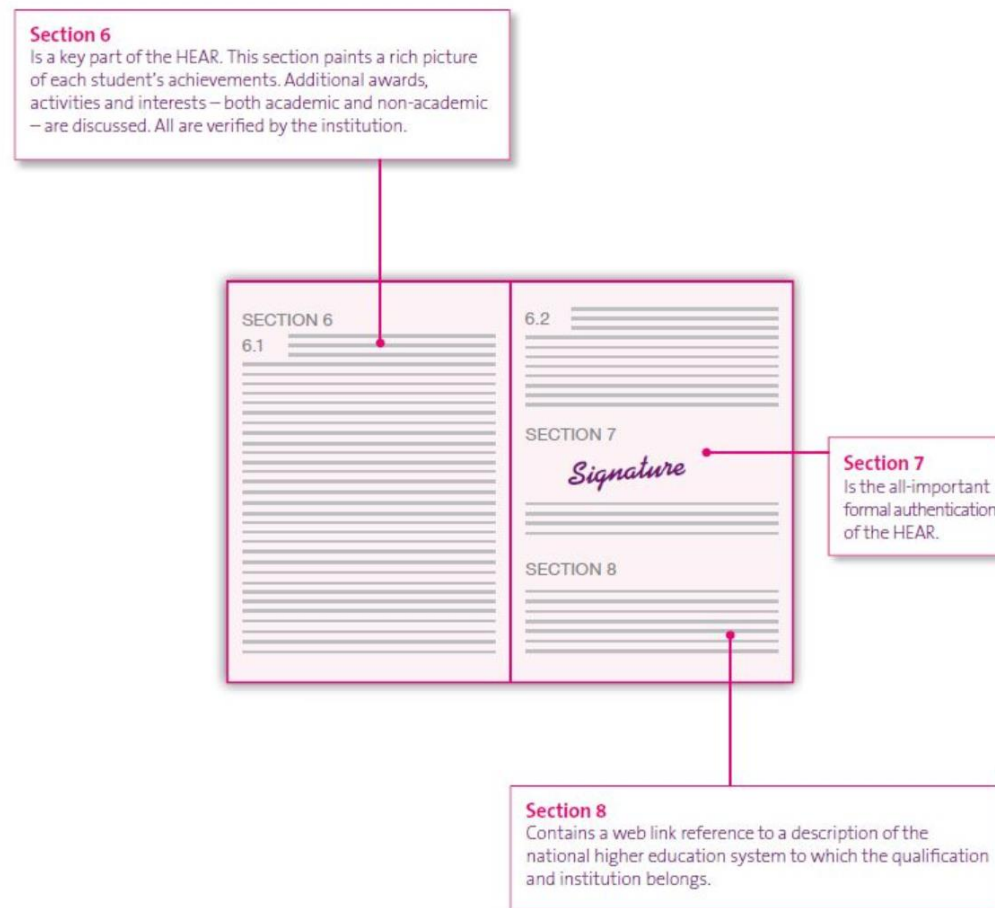

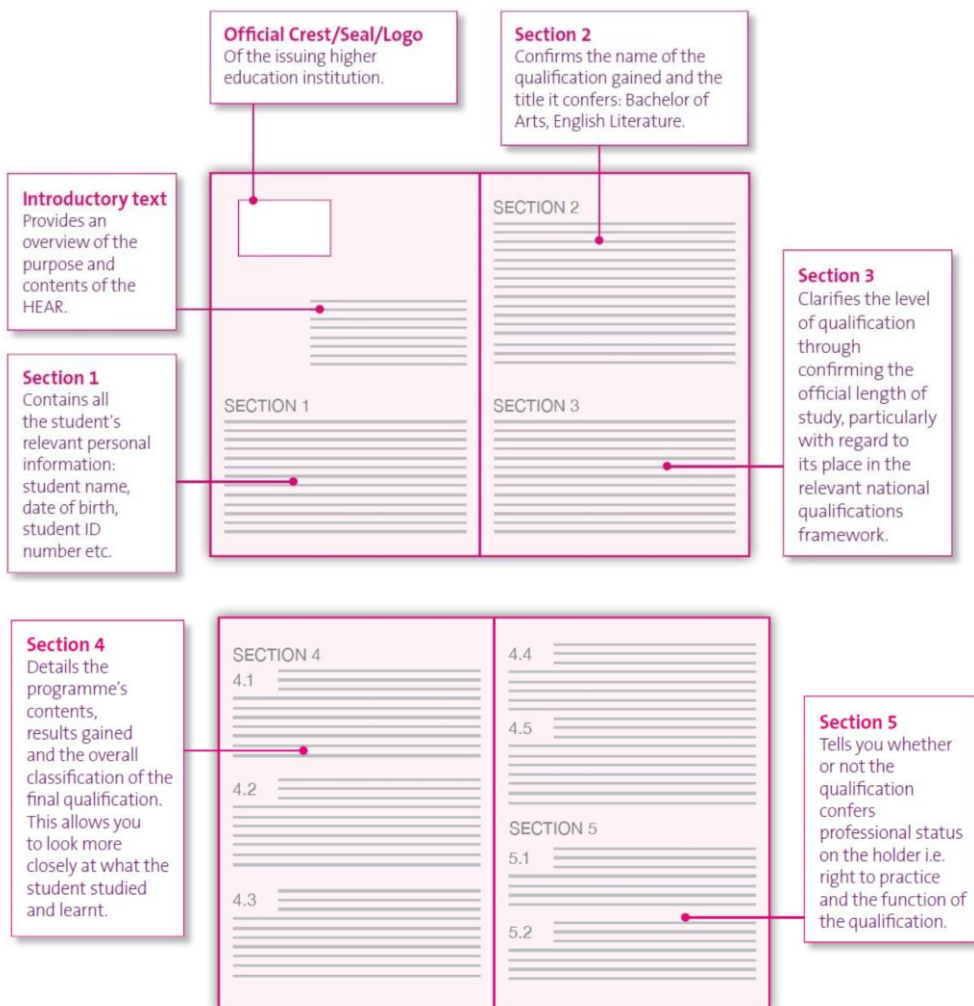

Digital credentials services

The UK Higher Education Achievement Report (HEAR)

- A UK-wide data standard for reporting higher education achievements
- Formative HEARs updated throughout the learner journey
- Final HEARs issued on award confirmation
- Recognising academic, professional and non-academic achievements

IMS Global Comprehensive Learner Record

- Globally interoperable and portable credentials in CLR and Open Badge formats

Confirm you are the authorised recipient

VIEW SHARED DOCUMENT

Before you can access this **HEAR**, we need to verify that you are the recipient of this token.

You will need a PDF reader to view shared documents. Most internet browsers have a PDF reader installed however we recommend you use the [Adobe PDF Reader](#) which provides access to the advanced digital signature details to confirm the validity of the shared document.

Please note: some browsers, such as Internet Explorer, are known to have issues reading some PDFs. If you are using a browser such as Internet Explorer and encounter issues viewing the PDF, Adobe or an alternate browser may resolve the issue.

Receive document access token

Dear Dave,

You have received this email as part of the process for accessing a HEAR on the Gradintelligence website.

In order to validate your access token and view the document, you need to use the following one-time access code:

634827

Please enter this code in the *Access code* box in gradintel.com to access the secured HEAR.
Gradintelligence document services
documentservices@gradintel.com

If you have any questions about our digital document service please contact customerservices-dev@gradintel.com or visit our website [Gradintelligence](https://gradintelligence.com) for more information.

Enter access code

VIEW SHARED DOCUMENT

An access code has now been sent to the email address registered with this token.

The email subject should contain a message reference **JDB2M2**. (You should receive the email promptly, but it can take a few minutes in some cases.)

Please keep this page open whilst you locate this email and copy the access code and paste it into the field below.

For security purposes, the access code can only be used once. The access code has been generated specifically for this view. A new unique code is generated every time you click to confirm you wish to access the document.

Document management

Document management

Welcome to the King's College London's Trusted Partner portal. Here you can view your institution's exchange or study abroad students' digital transcripts (or, as they are called at King's, Records of Agreed Results) as they're updated on completion of their studies.

Use the search parameters below to find specific students, and view or download their digital Record of Agreed Results.

Documents will be updated automatically as results are ratified and you will receive an automated email notification.

If you have any questions or feedback on the service, please contact the Global Mobility team at studyabroad@kcl.ac.uk.
