Presenter

Ryan McNally

Ryan joined WES in 2015 and has held roles as a credential analyst, knowledge analyst and knowledge management specialist. As an evaluator he focused mostly on Francophone, Lusophone and Latin American education systems. He has written on the education systems of Brazil and Cameroon. He is currently the knowledge manager at WES, helping to develop trainings, provide relevant resources for evaluators and extract evaluation knowledge from staff.

Introduction

Country Overview

Lebanon

- Lebanese Republic
(Al Jumhuriyah al Lubnaniyah,
or la République Libanaise)
- Population: 5,296,814
(2022 est.) (Source: CIA World Factbook)
- Capital: Beirut
- Languages: Arabic (official),
French, English

Historical Context

- Originally part of the Ottoman province of Syria
- Establishment of French mandate of Lebanon in 1920
- Independence in 1943
 - Formation of the National Covenant
- Lebanese Civil War, 1975–1990

Conflict and Refugee Crisis

- The Arab-Israeli and Israeli-Palestinian conflicts produced large numbers of Palestinian refugees
 - Palestinian refugee education in Lebanon run by the United Nations Relief and Works Agency (UNRWA)
- U.S.-led invasion of Iraq and subsequent civil war
 - Brief wave of Iraqi refugees
- Syrian Civil War
 - About 1.5 million Syrian refugees in Lebanon (UNHCR, 2022)
 - Syrian refugees often have trouble accessing basic and higher education in Lebanon

Sectarianism and Government Instability

- Lebanon's political system institutionalizes the representation of various religious sects
 - Maronite Christians
 - Sunni Muslims
 - Shia Muslims
 - Druze
- Government instability is largely due to sectarianism
 - Garbage collection crisis
 - Lack of president for 2.5 years – current president is Michel Aoun

Economic Crisis and Explosion of Port of Beirut

- Apparent in August of 2019 and further exacerbated by the COVID-19 pandemic.
- Crisis was concealed by financial engineering of the governor of the central bank.
- Massive inflation has increased poverty, with about 80% of the population falling below the poverty line. Inflation is currently around 168%!
- In August 2020, a large amount of ammonium nitrate stored at the Port of Beirut exploded, causing 218 deaths, 7,000 injuries, and US\$15 billion in property damage; 300,000 people became homeless.

Lebanese Students in the United States

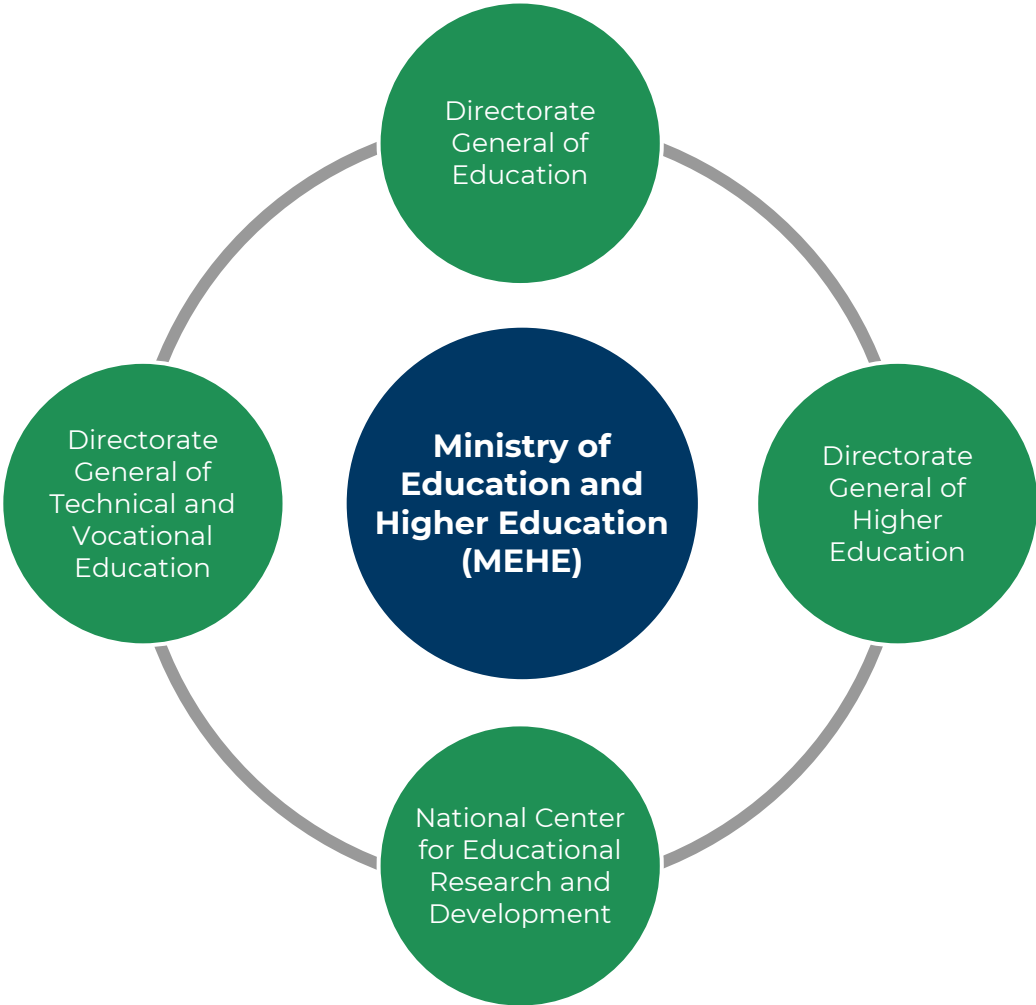

International Students in Lebanon

- There is little solid data on international students in Lebanon.
- Lebanon has traditionally been a popular destination for students from the Middle East and North Africa.
- High-ranked institutions, especially the American University of Beirut (AUB), are top destinations.
- Lebanon has also traditionally been a popular destination for Western students studying Arabic.

Education System

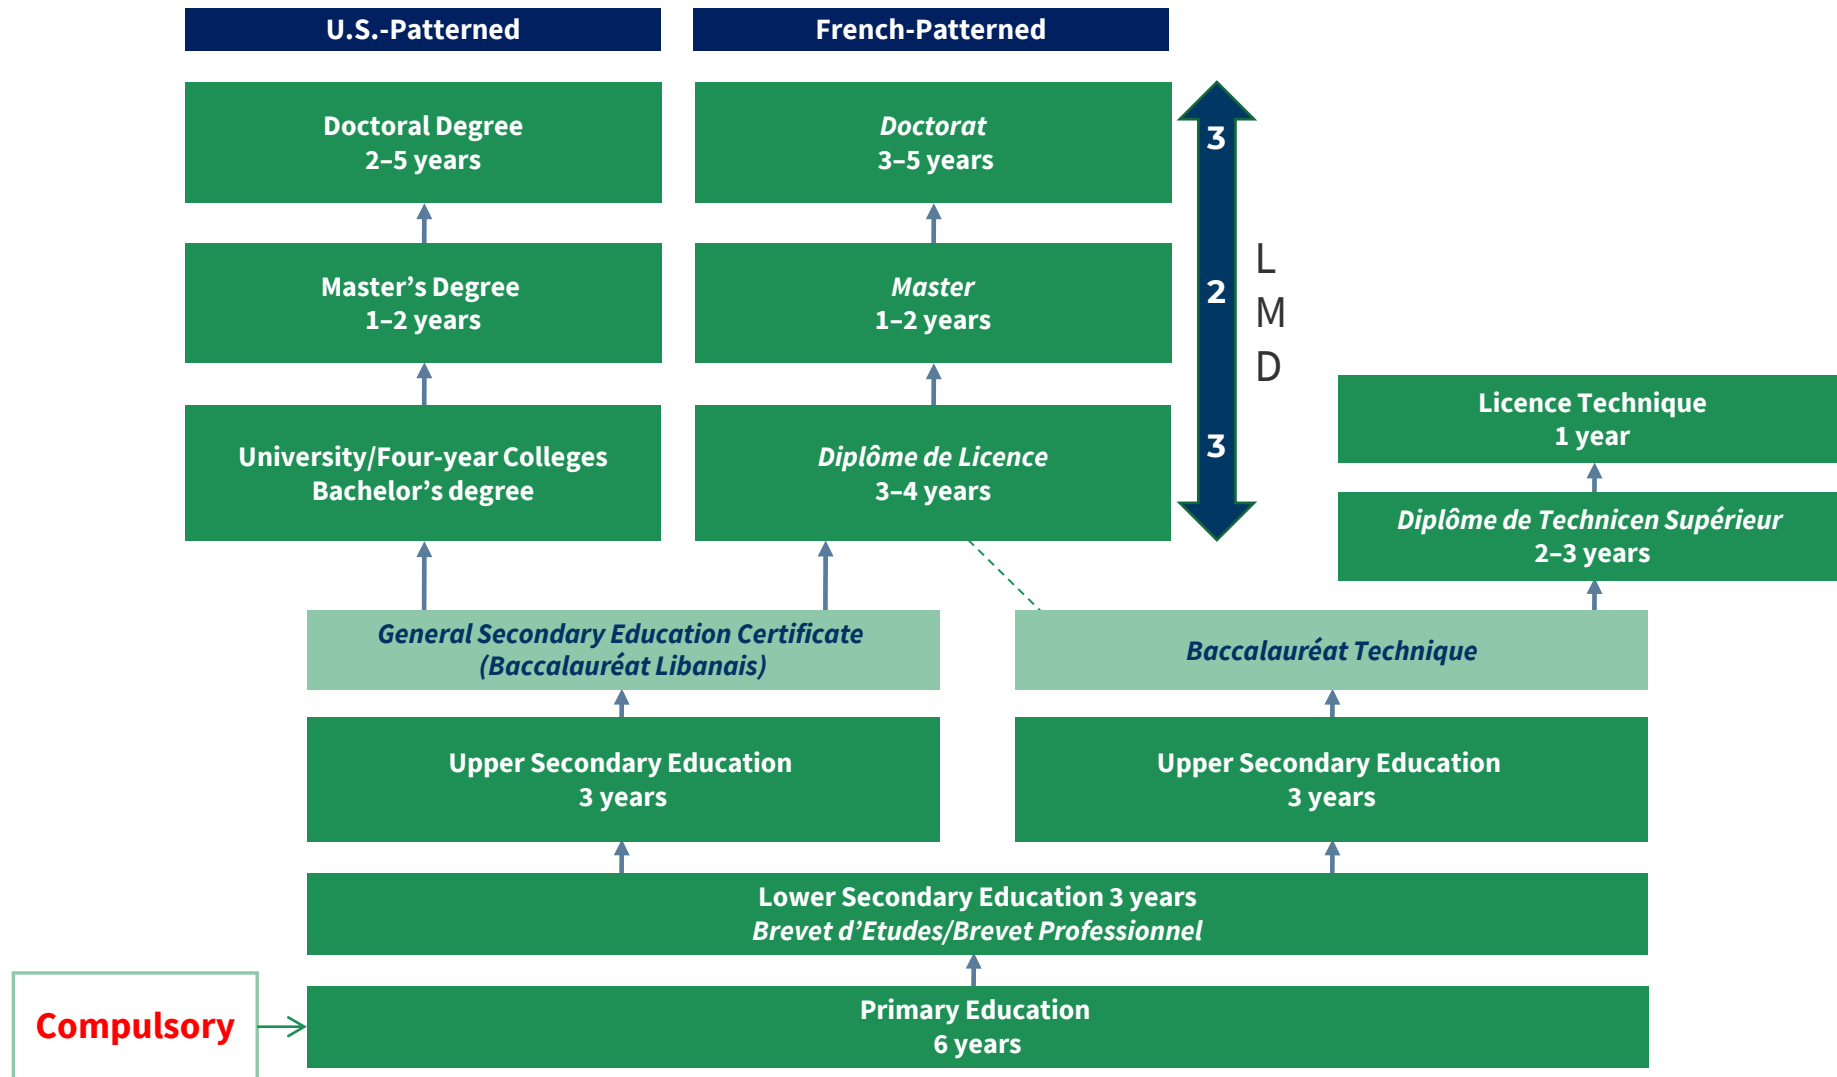

Administration of Education System

Development of the Lebanese Education System

- The Lebanese education system is patterned after the French and American education systems.
- This is particularly noticeable in the higher education sector.
- Lebanon is also home to universities from other countries' education systems – most notably Canadian- and German-patterned institutions.

Elementary Education

Primary education –
ages 6 to 12

- 2 cycles – each 3 years in length
- Language of Instruction – Arabic

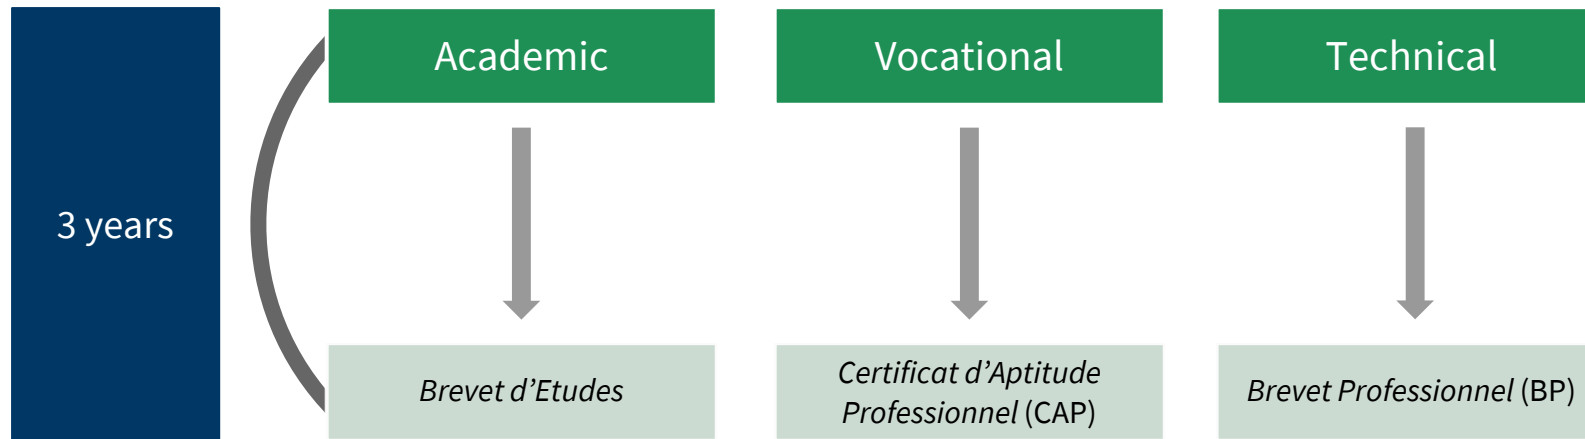

Secondary Education

Lower Secondary Education

Lower-secondary education – ages 12 to 15

- 1 cycle – 3 years in length
- Students choose a track to pursue – Academic or Vocational/Technical
- Exam-based qualifications

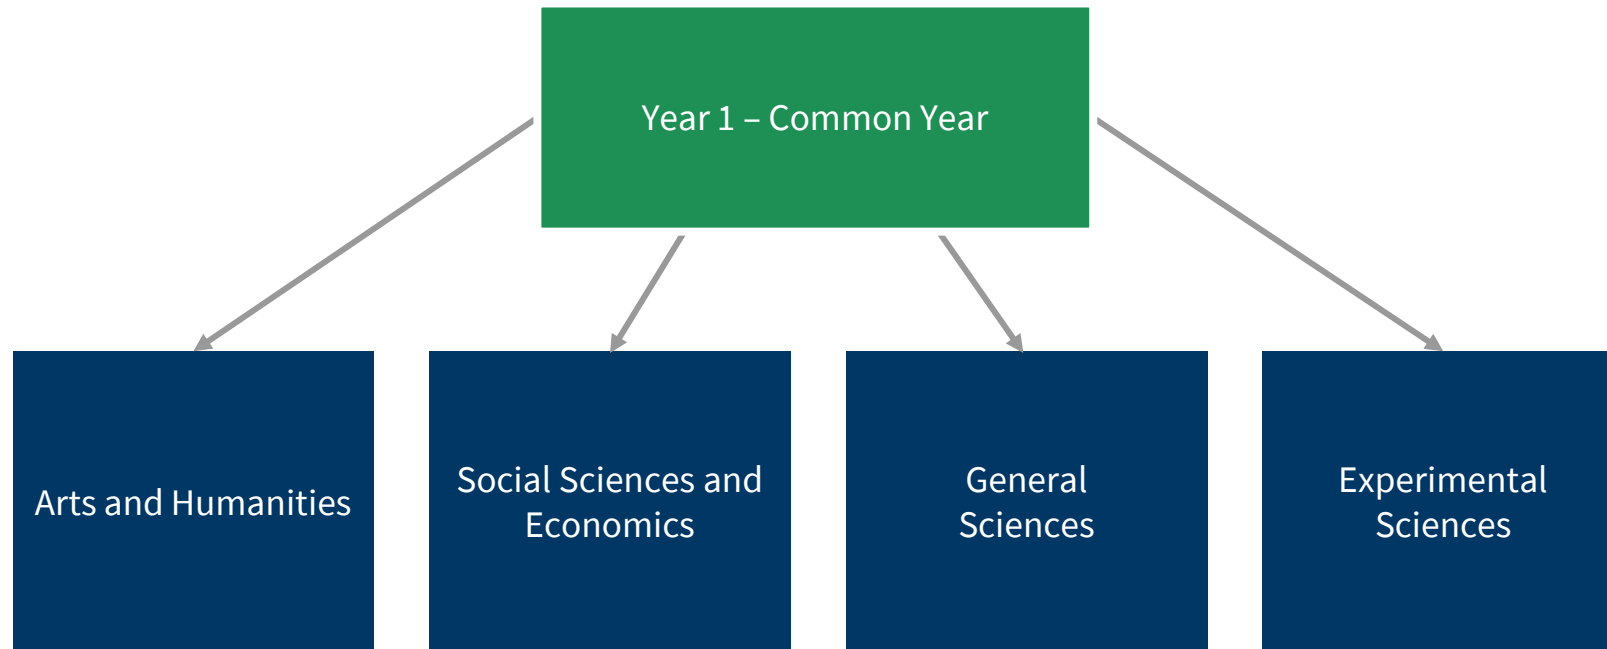

Upper Secondary Education

- Upper secondary education – ages 15 to 18
 - 1 cycle – 3 years in length
- Admission is based upon the *Brevet d'Etudes* or *Brevet Professionnel*
- Students follow one of two tracks:
 - general academic or vocational/technical
- Students attend general secondary schools or technical secondary education schools
- National curriculum, administered and supervised by the schools
- Language of instruction: Arabic and French

Upper Secondary Education – Academic Track

- Academic track is divided into 4 streams
- Chosen after the common first year of upper-secondary school

Upper Secondary Education – Academic Track

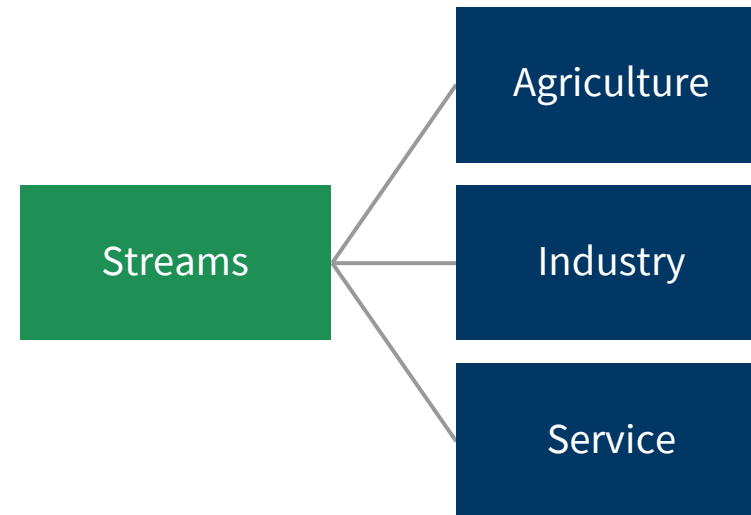

- At the end of the 3rd year, students take the General Secondary Examination (commonly known as the Baccalaureate).
- The exam is administered by the Ministry of Education and Higher Education.
- Upon passing the examination, students are awarded the General Secondary Education Certificate or General Secondary Diploma (Baccalauréat Libanais). In Arabic, *Shahaadat Al-Bakaalouriya al Lubnaaniya l'il-ta 'liim al-Thaanawi*.

NOTE:

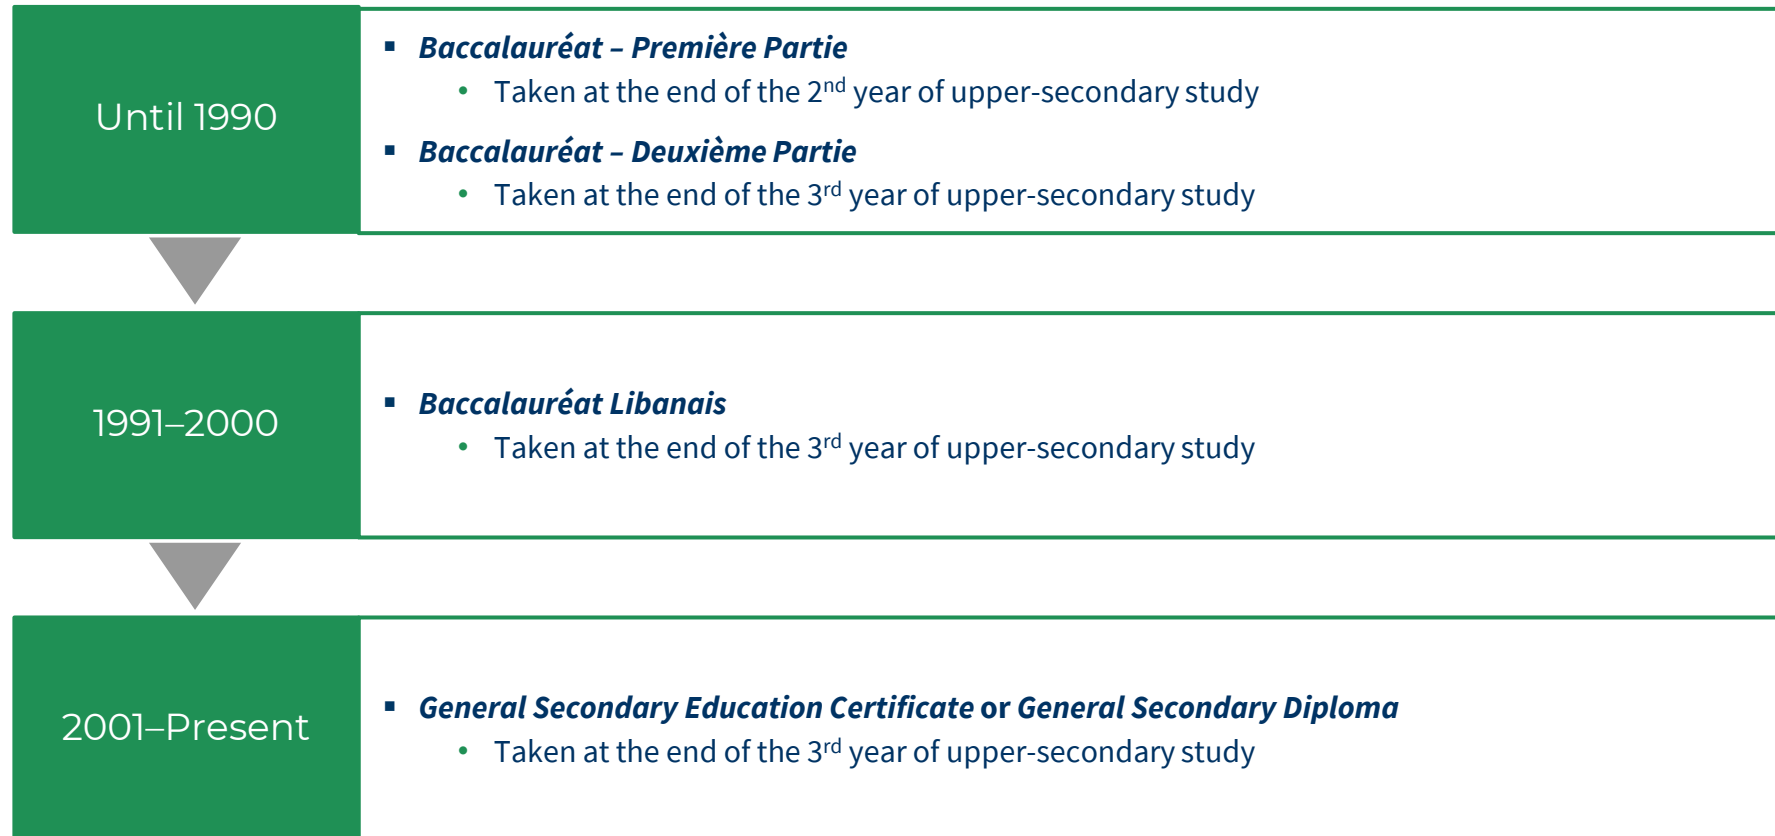

International secondary qualifications are also becoming popular in Lebanon: International Baccalaureate (IB), French *Baccalauréat*, American high school diploma

Upper-Secondary Education – Technical Track

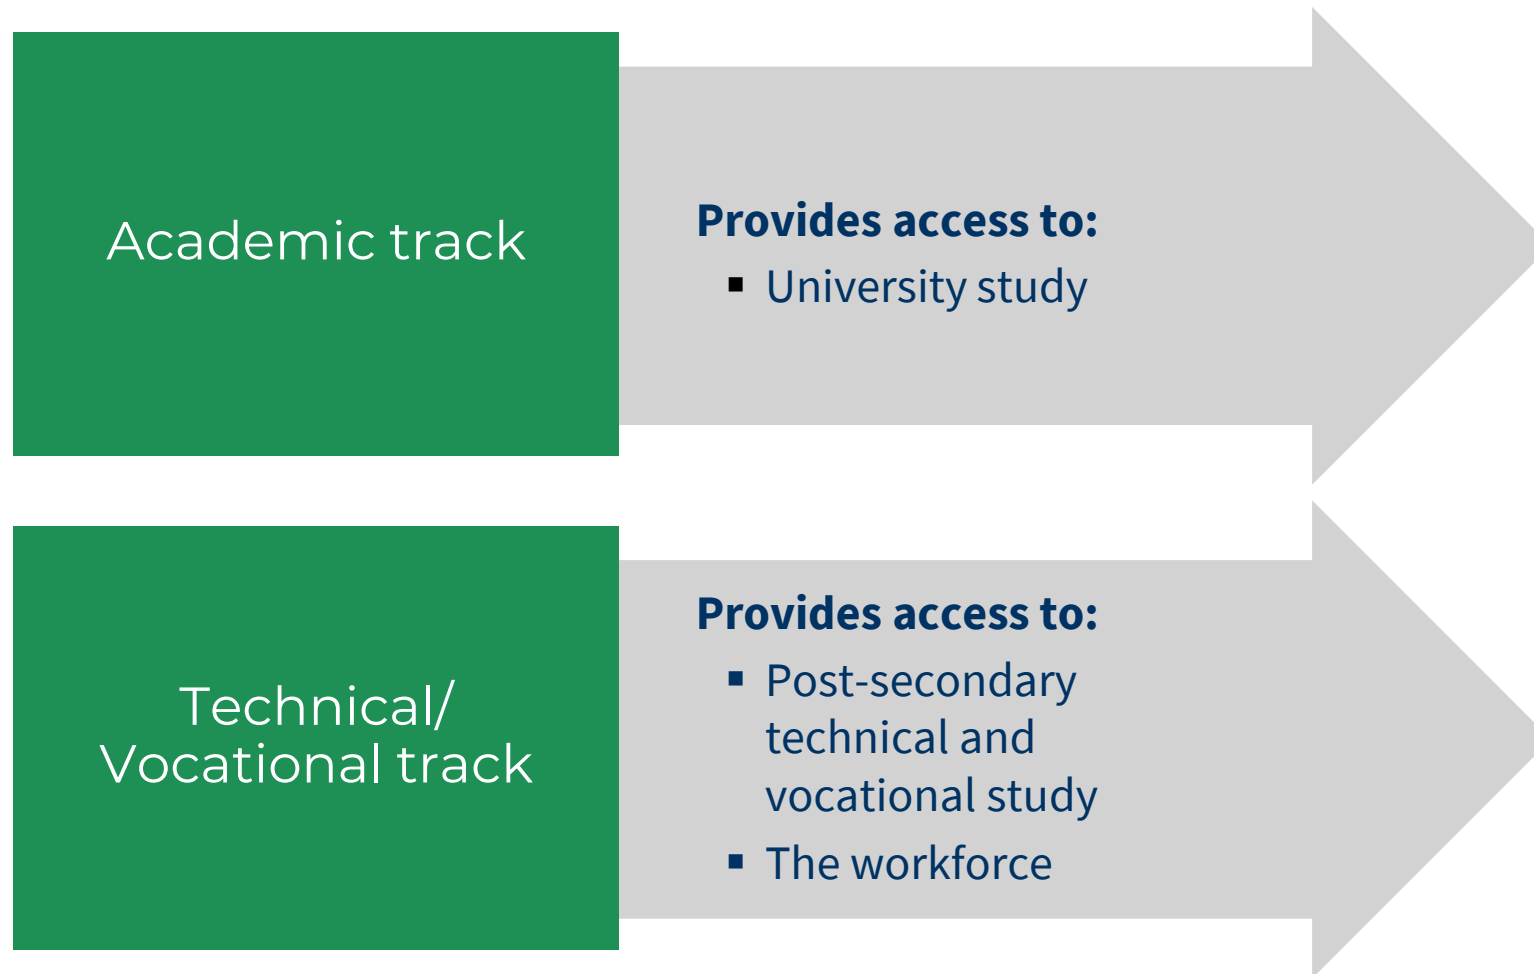

- Combination of general education and concentrated courses in a chosen specialization
- Coursework includes:
 - Arabic
 - Foreign languages
 - Mathematics
 - Science
 - Civics
 - Stream-specific courses
- Exam-based qualification – taken at the end of the third year
- Upon passing the examination, students are awarded the *Baccalauréat Technique* or *Al-Bakaalouriya al-Fanniya*.

Higher Education – American- vs. French-Patterned Systems

Higher Education - Academic Year in Lebanon

- The academic year typically runs from September to July (can vary by institutions).
- The academic year is divided into two semesters – one in the fall and one in the spring.
- Institutions that follow an American system may offer a summer semester as well.

Higher Education – American-Patterned Credentials

Credential Name	Bachelor's Degree	Master's Degree	Doctorate
Admission Requirement	General Secondary Education Certificate	Bachelor's degree	Master's degree
Length of Program	4 years*	1–2 years	2–5 years (dissertation and original research)
Equivalency	Bachelor's degree	Master's degree	Earned doctorate

*Credit from secondary study can exempt students from up to a year of study

Higher Education – French-Patterned Credentials

Credential Name	<i>Diplôme de Licence</i>	<i>Master</i>	<i>Doctorat</i>
Admission Requirement	General Secondary Education Certificate	<i>Diplôme de Licence</i>	<i>Master</i>
Length of Program	3–4 years	1–2 years	3–5 years (dissertation and original research)
WES Equivalency	Bachelor's degree	Master's degree	Earned doctorate

Undergraduate Credit from Secondary Study

- Can exempt students from up to a full year of undergraduate coursework (24–32 semester credits) of American-patterned degrees.
- This means that a four-year American-patterned bachelor's degree may look like a three-year program.
- Sample documents at the end of the presentation will show this in more detail.

Higher Education – American-Patterned Professional Study

Credential Name	Bachelor of Engineering	Master of Engineering	Doctor of Medicine	Bachelor of Dental Surgery	Doctor of Pharmacy
Admission Requirement	General Secondary Education Certificate	Bachelor of Engineering	Bachelor's degree	General Secondary Education Certificate	General Secondary Education Certificate

*Note: the U.S. grading system is used in U.S.-oriented institutions.

Higher Education – Credit Systems

French-Patterned

- Coefficients
- Some institutions now use ECTS

American-Patterned

- 1 – 1 credits
- Same structure as U.S. university programs

Higher Education – Technical and Vocational Credentials

- **Diplôme de Technicien Supérieur (DTS)**
 - 2-3 years of study following the Baccalauréat Technique
 - Offered in 27 specializations
- **Licence Technique (LT)**
 - One additional year of study and examination on top of the DTS
- Both qualifications are evaluated on the basis of national examination results taken at the end of the program

Document Requirements – Higher Education

- Degree certificates
 - Clear and legible photocopies of all degree certificates or diplomas issued by the institutions attended
 - Must be in the language in which they were issued
- Academic transcripts
 - Academic transcripts indicating all subjects taken and grades obtained sent directly to WES by the institutions attended
 - * For completed doctoral program: a letter confirming award of degree sent directly to WES by the institutions attended
- Translations
 - Precise, word-for-word English translations prepared by the institution attended or any certified translation service for all documents that are not issued in English

Does this document belong to the French- or American-patterned system?

Be careful with transliteration!

This is a French-patterned institution however the degree certificate may reach “Bachelor”.

First degrees should be a Licence and generally 3 years in length for most majors.

See corresponding transcript on the next slide.
